

**PRODUCT CODE:** REBFB-01

**PRODUCT DESCRIPTION:** Standard footbed for additional comfort & support

## MATERIALS

Moulded PU, taibrelle mesh upper.

## FEATURES

- Anti-bacterial
- Closed cell construction
- Contoured heel cushion
- Shock absorbing
- Arch support
- Moisture wicking
- Fast drying

## BENEFITS

- Reduction in fatigue
- Reduction of aches & pains

## NOTES

If you remove your footbed from the shoe once a week, and allow the shoe to air properly, this helps to control fungal infection and associated complaints.
